Commander

by Bob Stone

First, I would like to say the two years that I have been Commander have gone by quickly. I have enjoyed every minute of the past two years, even if the last year has been a struggle. I was diagnosed with Cancer a year ago February and since that time have gone through radiation, surgery and chemo treatments. I last saw the Dr. in early February and he gave me a clean bill of health. To all those who have supported me in the past year, Candace and I would like to personally say “Thank You”.

Well, the winter is over and the boating season is about to start. Jeff and Leanne have put together a very, very interesting Cruise schedule for the upcoming year and I would like

to see a large participation from the membership.

This year, we are co-ordinating an “Integrated Squadron Cruise” at Port Browning near the end of August. This is replacing the PMD Cruise at Snug Cove, so it is a good opportunity to come out and meet boaters from other Squadrons.

Also in May, the Langley Power and Sail Squadron will be hosting the PMD Change of Watch. We are trying something different this time with the final night being a dinner cruise aboard the M.V. Burrard Queen. This Cruise will be only dinner and dancing. It is our intention that no speeches will take up the evenings activities. The response to this Cruise has been great to date and our seating capacity is limited to 150, so I would recommend if anyone is interested in attending, you should contact Jeff and/or Leanne Adams.

I also want to say a big “Thank You” to all those who have given of their time in the past two years to assist in the operations of the Squadron. This includes those who have served with me on the Bridge, those who instruct the various courses put on by the Squadron and all those who have given of their time in other ways. Because of you and your dedication, the Squadron remains strong.

I look forward to seeing you on the water and at the various functions in the upcoming year.

While we're already well into the Winter 2010 courses, Jan. 13 we had a chance to congratulate many of the 18 Fall 09 Boating Course grads and welcome them into the Squadron. Congratulations to all. There are many enthusiastic boaters (some soon-to-be) that we hope to see at future squadron events, so make sure to introduce yourself to some of those new faces and make them feel welcome.

There's another class of 20 taking the Winter Boating Course, so why not come out and do a little proctoring? By the time you read this, the RADAR course will have finished. The remaining courses this season are Electronic Charting and Maritime Radio. Please check online (www.cps-ecp.ca/langley) for dates/times and online registration OR call Joy Ruffeski (604) 533-2831.

Safe Boating,

Shane

Executive Officer's Report

by *Shane Fawkes*

Things are often quiet around this time of year, but there's been a lot of 'behind the scenes' action happening around the squadron, resulting in many things that members should take note of. As you see elsewhere in this issue, our Squadron is hosting this year's PMD AGM & Change of Watch. Terry Watling is chairing this event, and running a tight ship with several squadron members taking on all those jobs that 'just make it happen'.

Jeff & Leanne have set out the dates for this year's cruises. They're always a great time; if it's been a while since you've attended one - or maybe you've never attended, why not make this the year. The locations are well spread out... from the San Juans to Gibsons, so it would be great to see you out at one! (I know we try to make as many as we can).

PMD (Pacific Mainland District) has historically hosted an annual cruise, but is not doing so this year. Cmd. Bob has taken the bull by the horns and volunteered Langley to host an 'Integrated Cruise' that we are hoping to see at least 50 CPS boats attend from throughout the PMD (21 squadrons in total). While we don't expect many boats from Prince George or the Cariboo, we are really trying to encourage high participation from as

many members across the district as possible.

Finally, I'd ask you to ensure that we're able to keep in contact with you by keeping us up-to-date on your contact info. You can do that through National (1-888-CPS-BOAT, online: www.cps-ecp.ca), or Candace, our Membership Officer. Our new website is taking shape, so please update your bookmarks to www.cps-ecp.ca/langley. It is a little bare right now, but we're working on that. In fact, if you have a photo of your boat that you'd like to share on the site, forward it to me (please include boat name as well) at sfawkes@mac.com, and we'll start putting them up on a members boats page.

Safe Boating,
Shane
