## Commander

by Bob Stone

First, I would like to wish all of you nothing but the best for the New Year and would like to welcome those new members who recently joined the Squadron as a result of the fall Boating Course.

The boating season is nearing and it will be very welcomed after the winter we endured in the Lower Mainland, particularly the snowy, cold weather. I feel you must look at the positives of the winter – such as a white Christmas, less rain and more sunshine.

This past winter has been very productive for the Langley Power and Sail Squadron. Our own Jim Henderson won the volunteer instructor of the year award and Dave Peebles is completing

his first year at the Commander for the Pacific Mainland District (PMD). On behalf of all members of the Squadron, I would like to congratulate both members on their accomplishments.

We have had a successful winter in the areas of socials. The annual Christmas party was again held with SurDel and White Rock Squadrons for the second year and we will be doing the same in 2009. Our graduation in January was successful with the introduction of a guest speaker; the Pub Night at Jimmy Mac's was attended by thirty six members and the Wine and Cheese Tasting in early February was well attended. We are planning a Pot Luck at the end of March that will serve as the Annual General Meeting and the Change of Watch.

I have enjoyed my first year as Commander and look forward to another year. I also look forward to seeing as many of you as possible on the beautiful waters this coming summer.

### Internet

We are trying to compile a list of e-mail addresses for members of the Squadron. This is an easy way to communicate with you and would allow us to ensure you are contacted on all functions. We would also like to start sending the Datum Data via e-mail to cut down on costs to the Squadron.

I am asking that you send me your e-mail address at [bbbandkc@telus.net](mailto:bbbandkc@telus.net). Thank you for your co-operation.

*Cdr Bob Stone*

## Training

by *Shane Fawkes*

The Winter 09 series of courses are well underway; all 9 students that took BoatPro completed and passed last week. 17 students are midway through the Boating course, while 13 students will be wrapping up their VHF course right about the time you're reading this. As usual, thank you to all the instructors, proctors, and registrars –these courses cannot happen without your involvement. For everyone, remember getting involved is as simple as dropping by on a Monday night.

While the Winter series of courses is winding down, preparation for next year will begin shortly. In addition to our regular offerings (Boating, BoatPro, VHF), we also plan to offer Electronic Charting & RADAR again (unfortunately, not enough signed up for this past season). If there is a particular course that you would be interested in taking, drop me an email at [sfawkes@shaw.ca](mailto:sfawkes@shaw.ca). As long as there is interest shown, we'll see about offering additional courses. Once we decide on offerings & schedules, we'll place these on the website.

Our squadron has just received its own MMSI number (**031600044**), so take out that radio manual walk through how to program in a Group ID number, as well as a Group Calling number, into that DSC radio. With group calling, all LPS vessels within range that have programmed that group number into their radio can be hailed simultaneously via DSC (note: check to make sure your radio features Group ID and Group Calling –not all radios do). So when trying to raise *somebody* as you make your way into that next rendezvous.....

Did you know that CPS also has a Group ID number? (**031600018**).

Finally, as the last of the snow is FINALLY melting from the lawn and everyone's minds begin to turn to the boating season ahead, I hope you all have a safe & memory-filled season of boating, and I look forward to sharing stories with everyone.

Happy Boating,  
*Shane Fawkes*

## Graduation

by *Shane Fawkes*

Many squadron members and graduating students of the Fall 08 Boating course, shared an enjoyable evening January 14 to recognize the accomplishments and to welcome the grads as new members to the Langley Power Squadron. With the first year of CPS membership now included for successful grads, we hope you continue to become involved with the Squadron; joining in on Cruises & social activities, taking additional courses, or coming out to help mark/proctor for Monday night courses (a great way to re-inforce your recently acquired skills).

Cdr Stone also arranged for Captain Allan Domaas, past CEO of Vancouver Port Authority to come out that evening, and he gave an informative presentation of activities & dynamics of life on, and around, the waters of the VPA. It was also great to see some longer standing members out whom I hadn't met before, coming out to this event. Remember, members are always welcome.

The guest speaker was a nice addition that we would like to try to continue, so if you have any suggestions for interesting speakers to invite to other events, please feel free to forward them to Bob or myself.

So congratulations & welcome to the following new members:

*Ed Anderlini, Ian Blandford, Richard Dare, Karren Denos, Amanda Gibb, Frank Hunter, Albert & Rosalina Khavkin, Ryan Lee, Len Murphy, Dennis & Leona Sabbadin, Francis & Pat Sauve, Drew Steeves, Larry Tomoffee, B.J. Voth, Annemieke Vrijmoed, Peter & Vickie Wiebe.*

## Instructor of the Year

by *Bob Stone*

During the last National Canadian Power and Sail Squadron meeting held during the fall at Windsor, Ontario, one of our own – Past Commander Jim Henderson was awarded the “G. William Bowman Volunteer Instructor of the Year Award”. This Award is presented for Western Canada. There were only three of these awards presented Canada wide.

This should be celebrated as a great achievement for one of our own who

gives of his time for the Power Squadron in order to ensure boating safety. Jim has served in all capacities on the Bridge and continues to give his time instructing for the Langley Power and Sail Squadron.

Congratulations Jim on this achievement and on behalf of all members of the Langley Power and Sail Squadron, thank you for your efforts with this Squadron.

## Oops!

Well, for the first time in our lives, again, Dave and I have made a mistake. When Bob so nicely called to invite us to the Power Squadron Christmas party, we were ecstatic. Neither of our companies were hosting a party for 2008, so we were looking forward to getting dressed up and doing a little partying! We ran into Jim & Pam at Canadian Tire a couple of weeks before the date and we were talking about what we were going to wear, etc...

Well, along comes Saturday, November 29th, and off we go! All

dooded up and smellin' pretty! Imagine our chagrin when we arrived at the golf club and were told, “ The Power Squadron's Christmas party was LAST NIGHT!” How embarrassing... we had a drink at Sunrise, then toddled off to Coza for dinner. Lovely dinner - even if we were slightly over-dressed.

I am so sorry, all! I just know we missed a fantastic time. See you all in boating season! And for the Christmas party this year??

## Wine tasting

by *Leanne Adams*

Friday February 13th proved to be a lucky evening for 12 Langley Power Squadron members who attended The Well Seasoned Wine Guy - John Gerum's "Value Wines of the World" Event. Learning how to find those value wines was the focus of the event and tips like; attend as many tasting events as you can and if you find a value wine, buy by the case - made at least one Power Squadron member very

happy that he has some professional support.

A sample plate of cheese, meats, olives, fruit and chocolate made sipping some wonderful wines more fun.

Overall the evening was educational, and Langley Power Squadron proved to be a good time on and off the water.

Cheers,

*Leanne Adams*

### AGM and Change of Watch

The Annual General Meeting and Change of Watch will be held differently this year. The economic climate is also affecting the Squadron and the Bridge members feel that a different approach must be taken and tried this year.

On March 28<sup>th</sup> at 6:00 PM at the **Masonic Hall, 20701 Fraser Hwy** in Langley, the Squadron will be holding a "PotLuck Supper" and this function will also serve as the venue for the Annual general Meeting and Change of Watch. Plates, forks and knives will be supplied as well as music. Refreshments will be your responsibility.

I am asking that you contact me at [bbbandkc@telus.net](mailto:bbbandkc@telus.net) in order that we can keep track of the numbers who will be attending. We will not be providing any direction on what to bring as we always end up with a large number of enjoyable dishes and usually too much to eat at the end of the evening.

It is our intention to eat first, and then hold the AGM/Change of Watch.

I look forward to seeing you there.

*Bob Stone*

### Pub Night

The Squadron held its annual Pub Night at Jimmy Mac's Pub in Langley at the end of January. To say it was a success, would be an understatement. This event was attended by thirty six members. What was enjoyed the most was the fact that it was attended by a

number of new faces to such events with the Squadron. I want to personally thank them for their attendance and look forward to seeing them and other new faces at other functions in the future.

*Bob Stone*
